

Dear Friends of the Tri-State Area,

The Tri-State Chamber of Commerce is delighted to once again be taking part in our annual Hometown Holidays celebrations!

Each Village's events promise to be better than ever, and will include tree lightings in Canaan, Lakeville, Millerton and Sharon as well as community sing-a-longs, various open houses, local fire companies' Parade of Lights, carolers, and special promotions with participating merchants having extended shopping hours. What a great season in the Tri-state region!

And the best of all is our area's signature holiday tradition, Adopt-a-Tree. The main roads of Lakeville and Salisbury will be lined with one hundred trees draped in sparkling holiday lights. This beautiful display adds immeasurably to the festive air and holiday spirit during this wonderful time of year. Anyone who drives through these towns during the evenings of the holiday season reaps the benefits of this display.

A full page of the scheduled events will be featured in the special Hometown Holidays insert in the Lakeville Journal and the Millerton News throughout November. Events will also be posted on our website, www.tristatechamber.com, on the event calendar.

We are pleased to announce that this year's Tri-State chamber annual tree lighting will be held at the Lakeville Hose Company, Sunday, December 4th. More information will follow.

And of course, none of this would be possible without the support of our friends and neighbors. To ensure the success and continuation of these holiday events, we are asking once again, for your generosity. Please consider making a donation of any size. We are always very grateful for your continued generous contributions. A gift of \$50.00 will sponsor one of our trees and is a perfect way to honor a friend or a loved one.

The enclosed envelope makes it easy to make a donation or sponsor a tree.

We hope that you will want to be a part of this wonderful holiday event that our friends, family and the entire community enjoy together.

Happy Holidays!
