WHAT A SUCCESS!

16TH ANNUAL FESTIVAL OF TRADE, ARTS & CRAFTS

Over 50 businesses participated in this year's trade festival. It continues to provide an avenue for businesses to showcase their goods and services as well as connect community and commerce. As one of our biggest networking opportunities of the year, we would like to thank all of our sponsors, everyone who participated and all community members for supporting our "buy local" campaign.

In The News...

On our web site home page...

It would be a great service to our members if we could keep an online scrapbook with news stories, press releases etc. of Chamber activities and our members' noteworthy happenings. All articles could be viewed under the "In the News" tab on our website.

As you read articles that you feel would be appropriate for our web library, cut it out and send to POB 386, Lakeville, CT for posting OR simply email them to info@tristatechamber.com. Please include the name of article, publication and date. Most, if not all, publications now have web sites where we can go search for the article and print out a clean copy vs. a scan of an article clipping. Thanks for your assistance!
