DR. OCHRYM, THE DOCTOR WHO MAKES HOUSE CALLS

LIVING AND PRACTICING IN THE NW CORNER OF
CT FOR 15 YEARS AND NOW A NEW MEMBER
OF THE TRI-STATE CHAMBER OF COMMERCE

When you are not feeling well, it takes every last bit of energy to get up and go see the doctor, and that is if you can actually get an appointment. Now, there is a doctor in the Northwest corner of CT who has a solution to this issue, Dr. Richard G. Ochrym. Dr. Ochrym has decided to go back to the good old days of unrushed, confidential care in the form of house calls. He will also come to your office if that is more convenient for you. Compassionate and convenient healthcare is just a phone call away. For more information, visit the doctor's website at www.doctordoeshousecalls.com.nv

TriStateChamber.com – New Look, Updated Content and Better Functionality

The new Tri-State Chamber of Commerce website is a combination of membership content and visitor information. For members, there is a Forum section where you can post comments, employment opportunities, business announcements as well as state your opinion on a subject that matters to you in our business community. Create a login and profile and use the site to connect with your fellow business colleagues. The site can be used as a tool to help in daily business functions, as well as researching the local business community, so get online and navigate the site to see all the new functionality and how the use of it can benefit your business.

Kudos to Sue Dickinson for the endless hours of working with the web designer Eternity Web to create this new site.

Your Part In Getting People To Buy Local

Promote the Buy Local campaign by using it in your advertising as well as making sure that your business is as pleasant an experience as surfing the Internet. Remember, many people chose the ease of shopping online, but if they enjoy the experience at your shop, they will Buy Local!

EXPOSE YOUR BUSINESS TO A CAPTIVE AUDIENCE OF THOUSANDS

This is an opportunity not to be missed! Lime Rock Park invites you to be part of Locals on the Green. The Locals on the Green mission is to expose what our local area has to offer to thousands of loyal race fans during the major race events of the 2008 season. This prominent display space is located in the Lime Rock Park Midway vendor area and is the ideal opportunity to promote and expose your business. Come be a part of Locals on the Green at no cost to you. All you need to do to participate is to donate an item that represents your business along with business cards and brochures and/or flyers. The Lime Rock Park staff will take care of the rest! For more information please contact Maria Jannace, Chief Marketing Officer at Lime Rock Park – maria@limerock.com.

THE WHITE GALLERY

Tino and Susan Galluzzo, owners of the White Gallery in Lakeville, had the misfortune of a fire at their business on 14 May. Please help get the word out that their gallery has taken temporary space across the street behind the Boathouse Restaurant at 349 Main Street.
