2008 CHAMBER ANNUAL PICNIC

New Chamber President Bill Crow at the 2008 Annual Picnic

2008 ANNUAL PICNIC AT LIME ROCK PARK SEES CHAMBER ANNOUNCE NEW PRESIDENT

The Chamber would like to thank Lime Rock Park for hosting our 2008 Annual Picnic. A great venue for an evening outside, Lime Rock Park provided food, music and a picturesque backdrop of the foothills as the sun went down.

The big news of the evening was the announcement of Bill Crow as President of the Tri-State Chamber. Bill has been an active member of this community for many years.

"The Chamber can make a growing contribution to the well-

being of the business community and provide awareness to all the towns that make up our region," stated Bill after the picnic. "I will be putting a lot of time into making additions to the Board of Directors that will ensure strong representation and activation for each of those towns." Bill's background is in the management of an environmental services company that provided arboricultural and landscape design-build expertise in New England. More recently, Bill has been working on management consulting projects, support and economic planning advice for small businesses.
