the 2008 ANNUAL ADOPT-A-TREE PROGRAM

our area's signature tradition

Adopt-a-tree program is the area's signature tradition. Trees draped in holiday lights sparkle like ornaments along main roads of our communities, creating an instant holiday mood every year.

A \$50 tree sponsorship is the

perfect way to commemorate a friend or a loved one – and get area residents and visitors alike in the holiday spirit. For more information or if you have questions contact Sue Dickinson at sdickinson@tristatechamber.com.

The Holiday Season is Upon Us...

Traditionally the "Buy Local" Campaign kicks off the first weekend of December in the downtown areas around the tri-state area. The "Hometown Holiday" celebration involves merchant specials, holiday festivities throughout the main streets and tree lightings and carol sings.

Check out the event calendar on the Tri-state Chamber of Commerce website at www.tristatechamber.com for details, as well as the Lakeville/ Millerton/ Winsted Journal's link to their

event calendar www.tcextra.com/features/compass. Or, look for the Hometown Holiday Schedule of Events in the Journals in late November.

In these challenging economic times, spending your hard earned dollar locally can make all the difference in striving for a healthy economy, keeping jobs in place and supporting vital not-for-profit services. Have some family fun and Buy Local while celebrating the season!
